1. Basis of quarterly consolidated financial statements

The accompanying quarterly consolidated financial statements of Nagoya Railroad Co., Ltd. (the "Company") and its consolidated subsidiaries (together with the Company, the "Group") have been prepared in accordance with the provisions set forth in the Japanese Financial Instruments and Exchange Act and its related accounting regulations, and in accordance with accounting principles generally accepted in Japan ("Japanese GAAP"), which are different in certain respects as to the application and disclosure requirements of the International Financial Reporting Standards.

The accompanying quarterly consolidated financial statements have been restructured and translated into English from the quarterly consolidated financial statements of the Company prepared in accordance with the accounting standard for quarterly financial reporting under Japanese GAAP and filed with the appropriate Local Finance Bureau of the Ministry of Finance as required by the Japanese Financial Instrument and Exchange Act. In preparing these quarterly consolidated financial statements, certain reclassifications have been made to the quarterly consolidated financial statements in order to present them in a form that is more familiar to readers outside Japan. Certain supplementary information included in the statutory Japanese language quarterly consolidated financial statements, but not required for fair presentation, is not presented in the accompanying quarterly consolidated financial statements.

The quarterly consolidated financial statements are stated in Japanese yen, the currency of the country in which the Company is incorporated and operates. The translations of Japanese yen amounts into U.S. dollar amounts are included solely for the convenience of readers outside Japan, using the approximate rate prevailing at 30 September 2013, which was ¥98 to U.S. \$1.00. Such translations should not be construed as a representation that the Japanese yen amounts have been, could have been or could in the future be converted into U.S. dollars at this or any other rate of exchange.

2. Significant accounting policies

The accompanying quarterly consolidated financial statements are prepared based on the same accounting policies as the annual consolidated financial statements. There were no changes in accounting policies that were applied in the accompanying quarterly consolidated financial statements for the six-month periods ended 30 September 2012 and 2013 from those for the years ended 31 March 2012 and 2013, except for those described in Note 2(b).

(a) Basis of consolidation

The accompanying quarterly consolidated financial statements include the accounts of the Company and its significant subsidiaries. Investments in significant unconsolidated subsidiaries and affiliated companies are accounted for using the equity method. Investments in unconsolidated subsidiaries and affiliated companies not accounted for using the equity method are stated at cost. There were no material changes in the scope of consolidated subsidiaries, unconsolidated subsidiaries and affiliated for using the equity method are stated at cost. There were no material changes in the scope of consolidated subsidiaries, unconsolidated subsidiaries and affiliated companies accounted for using the equity method for the six-month periods ended 30 September 2012 and 2013 from those for the years ended 31 March 2012 and 2013, respectively.

(b) Accounting changes

(Change in accounting policies with the amendment of law or regulation that is not distinguishable from change in accounting estimates)

From the six-month period ended 30 September 2012, in accordance with the amendment of the Corporation Tax Act of Japan, the Company and some of the consolidated subsidiaries have changed its depreciation method for property and equipment. Assets acquired on or after 1 April 2012 have been depreciated using the method prescribed in the amended Corporation Tax Act. The effect of this change in the depreciation method has been immaterial.

3. Contingent liabilities

At 31 March 2013 and 30 September 2013, the Group was contingently liable for guarantees of loans in the amounts of ¥1,131 million and ¥904 million (\$9,224 thousand), respectively.

4. Net assets

At the ordinary shareholders' meeting held on 27 June 2012 and 26 June 2013, the shareholders approved cash dividends of \$2.00 per share and \$3.00 per share, amounting to \$1,759 million and \$2,638 million (\$26,918 thousand), respectively.
