1. Basis of quarterly consolidated financial statements

The accompanying quarterly consolidated financial statements of Nagoya Railroad Co., Ltd. (the "Company") and its consolidated subsidiaries (together with the Company, the "Group") have been prepared in accordance with the provisions set forth in the Japanese Financial Instruments and Exchange Act and its related accounting regulations, and in accordance with accounting principles generally accepted in Japan ("Japanese GAAP"), which are different in certain respects as to the application and disclosure requirements of the International Financial Reporting Standards.

The accompanying quarterly consolidated financial statements have been restructured and translated into English from the quarterly consolidated financial statements of the Company prepared in accordance with the accounting standard for quarterly financial reporting under Japanese GAAP and filed with the appropriate Local Finance Bureau of the Ministry of Finance as required by the Japanese Financial Instrument and Exchange Act. In preparing these quarterly consolidated financial statements, certain reclassifications have been made to the quarterly consolidated financial statements in order to present them in a form that is more familiar to readers outside Japan. Certain supplementary information included in the statutory Japanese language quarterly consolidated financial statements, but not required for fair presentation, is not presented in the accompanying quarterly consolidated financial statements.

The quarterly consolidated financial statements are stated in Japanese yen, the currency of the country in which the Company is incorporated and operates. The translations of Japanese yen amounts into U.S. dollar amounts are included solely for the convenience of readers outside Japan, using the approximate rate prevailing at 30 September 2014, which was \$110 to U.S. \$1.00. Such translations should not be construed as a representation that the Japanese yen amounts have been, could have been or could in the future be converted into U.S. dollars at this or any other rate of exchange.

2. Significant accounting policies

The accompanying quarterly consolidated financial statements are prepared based on the same accounting policies as the annual consolidated financial statements, except for those described in Note 2(b) and should be read in conjunction with the consolidated financial statements for the year ended 31 March 2014.

(a) Basis of consolidation

The accompanying quarterly consolidated financial statements include the accounts of the Company and its significant subsidiaries. Investments in significant unconsolidated subsidiaries and affiliated companies are accounted for using the equity method. Investments in unconsolidated subsidiaries and affiliated companies not accounted for using the equity method are stated at cost. There were no material changes in the scope of consolidated subsidiaries, unconsolidated subsidiaries and affiliated for using the equity method are stated at cost. There were no material changes in the scope of consolidated subsidiaries, unconsolidated subsidiaries and affiliated companies accounted for using the equity method for the six-month periods ended 30 September 2013 and 2014 from those for the years ended 31 March 2013 and 2014, respectively.

(b) Accounting changes

(Adoption of accounting standard for retirement benefits)

Effective from the beginning of the six-month period ended 30 September 2014, the Group has applied the Accounting Standard for Retirement Benefits (Accounting Standards Board of Japan (ASBJ) Statement No. 26, 17 May 2012 (hereinafter, the "Statement No. 26")) and Guidance on Accounting Standard for Retirement Benefits (ASBJ Guidance No. 25, 17 May 2012 (hereinafter, the "Guidance No. 25")) for provisions set in the main clauses of the article 35 of the Statement No. 26 and the article 67 of the Guidance No. 25. Accordingly, the Group has changed the method of attributing expected benefits to periods in relation to the calculation method of retirement benefit obligations and current service costs from the point per year basis and straight-line basis to the benefit formula basis. In addition, the Group has changed the method of determining the discount rate from the method

using the discount rate determined based on the period approximate to the expected average remaining service period of the employees to the method using the single weighted average discount rate reflecting the estimated timing and amount of benefit payment. In accordance with the article 37 of the Statement No. 26, the effect of the change in calculation method of retirement benefit obligations and current service costs have been recognised as an adjustment to the opening balance of retained earnings as of the beginning of the six-month period ended 30 September 2014.

As a result of the application, employee retirement benefit liability increased by \$3,233 million (\$29,391 thousand) and retained earnings decreased by \$2,203 million (\$20,027 thousand) as of the six-month period ended 30 September 2014. The effect on the income statements for the six-month period ended 30 September 2014 is not material.

3. Contingent liabilities

At 31 March 2014 and 30 September 2014, the Group was contingently liable for guarantees of loans in the amounts of ¥680 million and ¥496 million (\$4,509 thousand), respectively.

4. Net assets

At the ordinary shareholders' meeting held on 26 June 2013 and 26 June 2014, the shareholders approved cash dividends of \$3.00 per share and \$4.00 per share, amounting to \$2,638 million and \$3,556 million (\$32,327 thousand), respectively.
